

## Attaching a File or Files to your STORRE submission

Within STORRE on the **Upload a File** screen, click on the **Select a file** button.

Describe Describe Describe Describe Upload Verify License Complete

### Submit: Upload a File ?

Use the **Select a file** button below, this will open a new window in which you can browse and select your file on your local drive.

If you wish to attach more than one file, after attaching the first file, select **Next**. Then on the next screen select the **Add Another File** button to browse and attach more files.

Please also note that the STORRE system is able to preserve the content of certain types of files better than other types. [Information about file types and levels of support for each are available.](#)

**Document File:** Select a file...

Please give a brief description of the contents of this file, for example "Main article", or "Experiment data readings".

**File Description:**

< Previous Cancel/Save Next >

In the new window that opens, browse to select your file and choose Open.

Your file will display as attached.

Then click on the Next button
