ARE YOU STIRLING?

OPEN DAY

SATURDAY 26 OCTOBER 2019, 8.30AM–3PM

#STIROPENDAY
THIS IS STIRLING

1ST IN THE UK FOR CAMPUS ENVIRONMENT

UK International Student Barometer Benchmark 2018
WELCOME

I am delighted you are considering coming to study at Stirling. Open Day is your chance to explore our beautiful campus, learn more about the variety of courses on offer and get a taste of what it’s like to live and study here.

You have chosen to visit a university that’s proud of its achievements: indeed, we’ve just been crowned UK Sports University of the Year¹. More than ninety-seven percent of our undergraduate leavers are in employment or further study within six months of graduating²; we recently retained our five-star QS rating, awarded to universities world-class in a broad range of areas; and were ranked 1st in the UK for campus environment³.

At Stirling, we are committed to making a positive difference in the world and our focus is on helping every student achieve their full potential, giving them the best possible start in life as a graduate.

Student representatives, lecturers, student support staff and members of the Students’ Union are on hand throughout the day to offer you an insight into life at Stirling.

I encourage you to ask lots of questions while you are here and gather all the information you need to help you decide where to study.

This is a university where everyone is treated with respect, and where ability – not background – is valued above all else.

Enjoy your visit and I hope to see you back on our campus soon.
