

## Group Applications

To apply as a group,

- each individual person **MUST** make an online application;
- on the “Tell Us a Bit More About Yourself” page of the application (see below), choose YES to the group question and then list the **names and student ID numbers** of everyone in your group, in the comment box.

The screenshot shows the 'Tell Us A Bit More About Yourself...' section of the application form. It includes a 'Preferences' section with a 'Gender' dropdown set to 'Prefer Mixed Gender'. Below is an 'Attributes' section with a table of questions. A red arrow points to the first question: 'Do you wish to apply as part of a group? If yes, please state names and student id's of all group members in the Comments Box'. Another red arrow points to the 'Answer' dropdown, which is set to 'No'. A third red arrow points to the 'Comment' box. To the right, two red boxes provide instructions: 'Answer “Yes” if you wish to apply as a group' and 'List ALL group members names & student ID numbers here e.g. Jo Bloggs 2758961, Fred Smith 2658945 & Jane Brown 2365894'. Below the table is a 'Medical' section with a question about medical conditions and a list of conditions including 'Aspergers/Autism'.
