mStir Privacy Policy

We use technologies like cookies (small files stored by your browser), web beacons, or unique device identifiers to anonymously identify your computer or device so we can deliver a better experience. Our systems also log information like your browser, operating system and IP address.

Our systems are not designed to associate personal information with your activities (such as pages you view or things you click on or search for).

We store only your username within our records for the time you are logged into the app.

Our systems are designed to retain login data for the period you are logged into the 'My' area of mStir. We remove personally identifiable information and other preferences associated with your account promptly after you log out.

We do not share personally identifiable information (such as name, address, email or phone) with other companies.

We do not allow advertising companies to collect data through our service for ad targeting.

If you have any questions or concerns about our privacy policies, please contact us: mstir@stir.ac.uk

We take reasonable steps to secure your personally identifiable information against unauthorized access or disclosure. We encrypt transmission of data on pages where you provide payment information. However, no security or encryption method can be guaranteed to protect information from hackers or human error.

Further privacy and Information Services policies can be found below:
